The combination of YUPO Accel's highly engineered synthetic gloss surface and faster ink-drying time yields impressive ink holdout and the same level of dot gain as coated paper. Plus, its superior stiffness and dimensional stability allows it to hold up under the TOUGHEST conditions.

DRYING TIME*			
		YUPO Accel	Traditional YUPO Grade
100% (ink coverage)	within	1 hr	8 hr
200% (ink coverage)	within	2 hr	10 hr
300% (ink coverage)	within	4 hr	13 hr
400% (ink coverage)	within	7 hr	16 hr

*This is an example of possible drying times. Times may vary.
